

Vol. 17, Issue 4 April 2019

April showers bring May flowers...

Into everyone's life rain will fall, for it is only with the rain can beautiful flowers and trees flourish.

Rain washes away the dirt no soot left from unsettled earth.

Rain quenches not only one's thirst, but one's soul. Do not curse the rain, be thankful for it.

Please Join us for our annual Easter Egg hunt. The hunt will start promptly at 2 with ages 2-4 hunting in the living room and older group outside following. We will have the Easter Bunny and Paw Patrol available for photos and meet and greet 2:30-3. Easter basket giveaways and light refreshments will be available!

April 6th at 2pm

EASTER EGG HUNT!

Congratulations Denise Elliott

Learning new things can be hard. But, when you have someone like Denise at your **side guiding you through our new electronic record system, it's a breeze.** Denise was instrumental in providing support to not only NHC St. Charles but many other NHC centers during the implementation of electronic health records. She received a certificate of appreciation from Steve Flatt, our CEO, for a job very well done.

Great work Denise. We are lucky to have you!

Show Me Creations and images was kind enough to explain and answer questions about woodworking, particularly chainsaw art on March 8th. Travis along with his wife Mellissa Robinson, create custom one of a kind quality art. They live near Wright City, MO. Travis started when at 12years old when his dad gave him his first chainsaw and a piece of wood about 2feet tall and said "carve a cactus". He did and it sold! He has been improving his skills ever since, creating custom pieces or common carvings such as boots or his famous cactuses. He has over 23 years experience. All of his items are carved exclusively with chainsaws, no hand tools. Should you be looking for that unique gift, give them a call. They won't disappoint. You will see a custom made boot for our Alzheimer's auction in August from Travis. Here are a few others he has created. Stay tuned for more learn about series on the activity calendar!

Dine in this month is Steak N Shake. Order forms will go out 4/8 and be due 4/12.

The dine in will take place during lunch on Wednesday, April 17th.

FREDBIRD

on April 8th at 10:30 AM

Thank you, Clark Academy for coming and entertaining us with your beautiful Irish Dancing! We loved meeting all of you.
